Membership Refunds

Center Sphere's policy is that there are NO REFUNDS. However, under certain approved circumstances, Center Sphere membership refund requests may be submitted by a paid member to the corporate email address, corporate@centersphere.com. If approved, refunds will be provided to paid members for the remainder of the unused membership and will not be retroactive. Paid members requesting a refund must provide Center Sphere 30 days written notice of their request, including full name and reason for refund. Upon receiving the refund request, Center Sphere will provide the paid and requesting member a copy of the Privacy Policy and a Refund Request Form to complete, including name and credit card information for refund. Refunds will not be processed until the form is completed to its entirety and returned to corporate@centersphere.com. Paid members must allow 4-6 weeks, after submitting the Refund Request Form to Center Sphere, for processing of refund.
